

Netbook Docking Station

for use with the Lenovo IdeaPad S10e and other popular brands

Slim Optical Drive + 2.5" Portable HDD + 2 Port USB Hub + Cooling Fan + Security Cable

Be prepared! Don't risk losing all your hard work!

Back-up subject preparation notes, class work, course material and data files overnight.

Benefits

- Safeguard your work: course preparation data and files - back it up automatically onto the extra hard disk drive
- Compatible with all popular brand name netbooks - works with 8", 9", 10" and 11" screens sizes
- Works with Windows XP / 7 or Apple Mac OS/X
- Play and show DVDs for classroom learning and fun time! Install applications from CD / DVD RW drive.
- Plug and Play, with no special set-up or training required. Operation as easy as using a USB cable
- Keeps desktop neat and tidy. No added computer peripheral hardware devices to clutter up your desk
- Raises the keyboard by 15-degrees for better visibility and a more comfortable typing posture
- Built-in low noise cooling fan keeps netbook computer at a stable operating temperature and well ventilated
- Create a mini workgroup with the 2-port USB Hub
- Station is secured with a steel combination lock cable

Features

- Easy slide / removable and portable Western Digital 2.5" portable SATA hard disk drive.
- HDD: 250GB external disk storage capacity
- Built-in SLIM Super Multi Drive - CD and DVD
- Two (2) port USB hub for peripheral attachment
- Built-in 4cm on/off switchable low noise cooling fan
- Steel cable combination lock included for security

Convenient and Portable.

Easy to carry and use!

Removable 250GB HDD storage

Model Number: WR-ND-250GB
